

Where To Start (Paperwork and Practicalities, Chapter 2)

- Sign documents
- Power of Attorney
- Medical power of attorney
- Living Will
- HIPAA
- Who is the primary caregiver
- Who can help out weekly, biweekly, monthly
- Who can provide caregiver respite
- Who can help with errands
- Who can help with transportation
- Who can provide meals
- If your loved one needs electricity to power life support equipment in their home such as respirators, etc., some electric companies offer the Emergency Medical Equipment Program. Check it with the electric company
